

EncorePro™

Unprecedented comfort and clarity meets sleek design.

Blending luxurious comfort with superior audio clarity and sleek, polished looks, the Plantronics EncorePro headset delivers unprecedented style and performance to contact center professionals. The EncorePro is built with premium lightweight nylon composite materials providing an ultra-lightweight design. Plush leatherette ear cushions provide hours of comfortable wear. Featuring a precision-fit, extendable ultra-noise-canceling microphone and high-frequency wideband response, the EncorePro ensures crystal-clear, efficient customer communications.

- **You'll forget you're wearing a headset.** Premium, lightweight nylon composite materials provide an ultra-lightweight design combined with plush ear cushions take comfort to a new level.
- **High-frequency wideband support.** Wideband support ensures crystal clear customer conversations, so you will hear and convey every nuance.
- **Ultra-noise-canceling microphone.** An extendable microphone boom accurately positions a superior noise-canceling microphone. Customers will never miss a word.
- **Resilient design meets elegant style.** Slim, stylish design makes for an appealing and subtle visual profile, while a reinforced, lightweight headband provides extra strength and top-of-the-line durability.

EncorePro Key Features

- **Superior comfort and lightweight.** Plush ear cushions and premium lightweight materials provide hours of comfortable wear
- **Extendable microphone.** Ensures precise microphone positioning so customers hear every word
- **Advanced ergonomic design.** Provides superior balance, fit, and comfort
Choose your preferred fit:
 - Single earpiece (monaural) can be worn on either ear—lets you hear the conversation, and what's going on around you
 - Dual earpiece (binaural)—cuts out distracting background noises
- **Quick Disconnect™ feature.** Walk away from your phone while still wearing your headset. Adjustable clothing clip and 10 foot coil cord allow for freedom of movement
- **Ultra-noise-canceling microphone.** Extendable, low-sitting boom ensures clearer calls in busy contact center environments
- **Supports AudioIQ® and Clearline™ audio technologies.** Ensures precise listening level, sophisticated hearing protection and superior audio performance when used with Plantronics Audio Processors

Or you can use a Plantronics USB audio processor for VoIP and Unified Communications applications, or a direct connect cable with suitable desk phones.

Backed by Plantronics global service and support

EncorePro headsets require a Plantronics audio processor, USB audio processor, or direct connect cable to connect to phone or PC.

Vista® M22 Audio Processor

The Vista M22 audio processor delivers precise levels of listening comfort, sophisticated hearing protection, and superior audio performance. The Vista M22 includes Clearline audio to improve call quality in any environment, especially wideband VoIP.

DA45™ USB Audio Processor

Compatible with all Plantronics H-series headsets, this headset-to-USB adapter/audio processor brings superior call clarity to PC-based communications. The DA45 USB provides advanced audio technologies, plug-and-play connectivity, and Quick Disconnect.
